About Jessica

Design is Intelligence Made Visible

I have been a graphic and web designer since 2012. I am also the founder of WebJess.com, an informational blog and a fun t-shirt shop. One of my guilty pleasures are designer handbags. With that being said, I am also the founder of HandbagBabe.com, which sells authentic Italian leather handbags.

My Skills Include

- Adobe Creative Suite (Photoshop, InDesign, Illustrator, Acrobat, After Effects)
- Microsoft Office Suite
- HTML/CSS
- Writing/Grammar/Proofreading
- Photography
- Wordpress
- SEO/SEM
- Keynote

T-Shirts by **WebJess.com**

Creativity, Inspiration, Typography, Design and Mockups

The e-commerce section of my website, WebJess.com, features a variety of fun, inspirational, and creative t-shirts. I have setup a streamline process for the ordering, printing, and shipping to be as seamless as possible. Although I mainly design t-shirts for WebJess.com, I also design t-shirts for clients as well.
